H.O.P.E Helping Opportunity Perform Effectively Truancy Program Sponsored in partnership by: Be Active, Inc.

H.O.P.E. Truancy Program is designed to help parents and students to understand the importance of school attendance. The program helps parents navigate through the court system, to gain success, and leave the truancy program. If parents face tough challenges relating to access to health care, unstable housing, poor transportation, or lack of food, the HOPE PROGRAM may be able to help with these barriers that may be keeping one's child from attending school regularly. Their mission is to join with the school systems in creating a loving, safe environment that meets the family's individual needs and enables their child to develop a lasting sense of self-worth and a joy for learning.

U CAN Mentoring services

Mentoring services for at-risk youth ages 6-18 through their Y.E.S and D.T.S program.

(Y.E.S.) Program consists of Youth Mentoring Services that are offered in school and in after-school programs. The program focuses on empowering youth with effective decision making skills and offer alternatives to crime, drugs, or delinquent behavior. This program focuses on teaching anger management, moral reasoning, and social skills to students. (D.T.S) is a Diversion Program for first time or non-violent offenders. Juveniles are referred to this program through a deferred adjudication or pre-adjudication depending upon the courts. It is sometimes more effective to allow juveniles to remain in their community while being accountable for their actions.
